

“Training session on Uses, Functionality and Features of “SCOPUS” for Researcher at NIFTEM”

10th April, 2019

**Organized by
NIFTEM Knowledge Centre**

NIFTEM Knowledge Centre organized a training session on citation and abstracting database “SCOPUS” for Faculty, PhD Scholar and students of NIFTEM on 10th, April 2019. Expert from Elsevier, Dr. Sikha Gupta, gave hands on training on different functionality and features of “SCOPUS” to faculty, Scholar and Students. In the beginning remarks Hon’ble Vice Chancellor, NIFTEM, discussed the importance of citation databases in improving the quality of research at NIFTEM. The 2 hour session was attended by Faculty, PhD Scholar and students of NIFTEM.
