Vegetable Production Map
Based on the “Statewise Production Pattern”
Instructions for reading the map

• The production data of different vegetables has been plotted in pie charts as per their abundance in the respective State.

• The larger icons of respective vegetable crop in the map of India represents the major production of that vegetable in the respective State.

• The smaller icons represent the production of other vegetables produced in the respective State.

• The Other vegetables includes beans, bitter guard, bottle gourd, capsicum, carrot, cucumber, muskmelon, radish, pumpkin, watermelon, etc.
Vegetable Production Map of India

- Brinjal
- Peas
- Cauliflower
- Potato
- Cabbage
- Sweet Potato
- Okra
- Tapioca
- Onion
- Tomato
Overall Vegetable Production in Different States of the Country
