

DST-NIMAT Sponsored

Faculty Development Program
on
Entrepreneurship Development
(13th – 23rd December 2019)

Organized by

Department of Food Business Management & Entrepreneurship Development
National Institute of Food Technology Entrepreneurship and Management

(Deemed to be University (De-novo Category) under Section 3 of the UGC Act, 1956
An Autonomous Institution under Ministry of Food Processing Industries, Government of India)
Plot No. 97, Sector 56, HSIIDC Industrial Estate, Kundli, District- Sonapat, Haryana India

About the Institute

NIFTEM is making an effort to seamlessly blend various facets of the food industry from production to retail, to ensure that all those involved in these activities reap the maximum possible benefits. It envisages being a focal point for catalyzing the growth of Food Processing Industries. The Institute is offering B. Tech., M.Tech., MBA and Ph.D. degree programmes in Food Technology and Management and at the same time taking up initiatives for research and extension activities. A unique flavor of the curriculum is the blend of technology and management, which is reflected in the undergraduate and postgraduate programmes of NIFTEM.

About the Department

Department of Food Business Management and Entrepreneurship at NIFTEM aims at the development of managerial and entrepreneurial abilities in the students. The Dept. offers exclusively Masters Programme in MBA (Food & Agri Business Management), M.Tech (Food Plant Operations Management) and PhD in Management Studies. It also offers various management and entrepreneurship courses to other streams of B.Tech./M.Tech.

About NSTEDB-DST

National Science and Technology Entrepreneurship Development Board (NSTEDB) is an apex body under the Department of Science & Technology, Government of India. It has been focusing entrepreneurship among the persons with Science & Technology background with a view to make “Job Generators” rather than “Job Seekers”. Employment generation through the application of S&T is also encouraged based on innovative methods, techniques & equipments and support through information and trained S&T manpower.

About Faculty Development Program

This Faculty Development Program (FDP) is designed to train and develop professionals in the area of entrepreneurship, innovation and incubation in which they can act as resource persons in guiding and motivating students to take up entrepreneurial career. The outcome of the FDP is likely to provide essential tools and techniques through diverse hand-on-training modules. With such an aptitude, the knowledge of tools of entrepreneurship would enhance the practicing skills of the Faculty Members/Teachers, who, in turn, can apply them for linking classroom teaching with research and self-generated new knowledge.

Objectives of the Program:

- ✓ To create an awareness of the need and importance of entrepreneurship.
- ✓ To disseminate knowledge and develop skills for diverse training methods in imparting training to students and entrepreneurs. .
- ✓ To develop skills in the teachers with an entrepreneurial and intraprenurial mindset.

Who Can Participate

- Faculty members of Universities/Colleges/Institutes who wish to become the motivator, trainer & facilitator of entrepreneurship
- Total 20-25 participants will be shortlisted on **First-Come-First-Served** basis

Pedagogy

Combination of Expert Lectures, Case Study Discussions, Role Plays, Business Plan Preparation, Panel Discussions, Brain Storming, Library Research, etc.

Benefits to Participants:

- ✓ No Registration Fee
- ✓ May avail subsidised Boarding and Lodging facility at **Rs.2000** within the Campus.
- ✓ A certificate of participation upon successful completion of the training program.

Last date of receiving applications: 23/11/2019

- The shortlisted candidates would be communicated by **3/12/2019** through e-mail and the list of shortlisted candidates will also be available at university website.
